

Miracle Frosting

Ingredients

- 2 tbsp butter
- 1 1/2 cups powdered sugar
- 1/4 tsp salt
- 1/2 tsp vanilla
- 1 tbsp water (I usually add a lot more than this)
- 1/2 tsp baking powder

Instructions

Mix all until smooth. I add enough water until it is the consistency I want. Frost cookies. Let dry.

For my sugar cookie mix, I usually quadruple (4) the recipe.
